My summer is winding down and I haven't had my fun this year. Seems like older people have moved into the apartment complex. Then one day I met Vanity laying by the pool. She was young, sweet and willing. We spent some time together and then one day it happened.

Vanity & Kylie

We became lovers. I love Vanity's soft smooth skin and freshly shaved pubes. Her pussy is tight and I love the way it tastes. Maybe this summer will be worthwhile, at last.

Dear editor at 50+,

I just had to write because I fucked my first fifty-year. I was at our company picnic that was being held on the Independence Day weekend at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year so many faces were new to me.

One of them was this 'older' lady named Emilee. She was sitting at one of the picnic tables eating the potato salad and there was open next to her and I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me and to Emilee. She said hello and little else for several minutes.

Finally I started with some short questions: what department was she in? how long? did she like it? Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the

Dear 50+:

I've never run across a woman like Cory Chase. Was she brought in from another planet? To be as good looking as she is and to seemingly love sex, that's gotta be someone special. I'm almost sixty and have never had anal sex with a woman. I've had a three-way forty years ago, and I really long for those days. I guess I'm now living vicariously through your magazine and photos of women I probably will never know. It's not that I'll not know them, but to have any hope of sex like I see here is just a masturbatory daydream for me. But I don't mind. Just look at what I'm wacking off to!

— Fletcher M., Denver

table cleared and Emilee and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good – some bad.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in HR and hoped to stay a long time. As the day wore down we went on our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. I said 'hi' again and she asked if I wanted to get a drink afterwards.

"Just the two of us?" I asked.

"Yes, just us." she replied.

At 52 Emilee looks great. Truth to be told she is really hot. We met at a local restaurant and had dinner and drinks. We laughed throughout it and I became more and more

infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and said I would.

We went to her home and it was very nice, like an interior designer had worked on it. We wasted little time getting it on. The dinner conversation, and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and I stripped down and sat on her bed. I covered myself quickly with a pillow. I was a little embarrassed. She came out of the bathroom, nude. Wow, did she look good, but before I could get a better look, she came over flung the pillow off me and took my dick in her hand, bent down and licked the tip of it.

As the head of my dick disappeared, she surrounded it with her warm lips and stuck her tongue. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked my cock.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in turn, into my mouth, as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her clit.

“Oh fuck yes, that feels fantastic! Eat me! Eat my pussy.” She called out trying to push my head south and on to her now soaking wet pussy.

I kissed and licked my way down towards her belly button and stopped to

dip my tongue in, making her moan even more. Then kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wet pussy she thrust her pussy at my hand. She was like a wanton woman by the time I got two fingers deep inside her pussy as I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work We would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will. Or not.

Oliver, St. Louis

Dear editor,

I love older women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. So I'm writing in appreciation of the older woman.

Since I moved to this high-end suburb of Cleveland, I've been getting all the senior nookie I can handle. I found a job at a small hair salon whose clientele is just my type. Please don't think of me as a predator, think of me as an opportunist. One that knows how to make opportunities for himself.

It is wholly managed and owned by a lovely lady, Yvette. She is a great boss and she is not rude. There are only four others working at the shop, three ladies and myself. I'm thirty-six, pretty well built, not gay, and know how to charm the ladies. Yvette's divorced, saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. At lunches we mostly talk and pass our time, as fewer people come in at noon time.

It was 8:30 am when I left my home for the shop. I am very punctual. I'd reached the shop 10 minutes later. It's not far from

my house. Truth to be told Yvette, who is in her mid-fifties, is very attractive. This morning she's wearing a single piece skirt just a bit below the her knees. She is tall with blonde hair, a sexy ass and full womanly breasts. I was attracted to her from the moment I interviewed with her.

It was quite busy today and we were tired already so she decided to close the shop for an hour after looking at the afternoon bookings. After an hour, nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break Yvette invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her home. As it was a casual invitation for drinks I wasn't shocked to see her in lingerie while opening the door. Tasteful but sexy.

I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I thought to myself 'You're

trying to seduce me, Mrs. Robinson." Not knowing what to say, which is a first for me, I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks for us. Of course, her boobs fell forward filling the flimsy top.

She handed me a glass of wine and one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses we're tipsy. We drank a couple of glasses more as the conversation became more heated. We both were pretty high by now.

She asked if I would like to play cards. She brought the cards when I agreed to. After playing for some time we were bored. She asked to add a new rule to it. Every time when one

person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a couple things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by now. The next few hands were won by her, I didn't lose on purpose, and I ended up naked. She lost the next two hands and now we were both naked. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand.

I lost, that is, I won. That is, I lost the hand and she got to go down on me first. Then she got down on her knees and started playing with my member. It felt great when she licked the tip, then took it

inside deeper. She asked me to fuck her mouth, I did exactly that. We both were moaning, and when I came in her mouth, it seemed she came too. My cum was dripping out of her mouth on her breasts, she rubbed it in and let me do it. I licked my own sperm off her nipples, she was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her I also licked her clit.

She asked me to keep doing it. She soon came and shouted. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top of her and thrust my dick inside her. We talked dirty as we fucked. Laughed about some incidences at the shop, and ultimately fell asleep in each other's arms.

Fortunately, the next day was Monday and the shop was closed.

Okay, listen up ladies and gents. When a hard cock presents itself, and there's a hunky guy attached to it, reach out. Grab hold and show it some affection. As for me, I love to have my clit licked. If it's done right, I can cum twice in thirty seconds.

Melissa

Of course I want it to last longer than that, but it might be some kind of record. I love the tongue because fingers don't feel as soft and wet. Gotta be your tongue.

Lisa Ann admits that she's had her indiscretions. That's probably she's no longer in bad relationships. With all that cavorting and playing around, she promises that she'll not do it again.

Lisa Ann

Or at least not get caught doing it. She should have known that someday she'd caught in the act. But she's decided that if she does get caught, it will be with another woman.

Ah, Brittany. Sage and sexy. So...

"I think I'm a damn good fuck. I've never had any complaints. Only compliments. But good sex cannot save a relationship. It has to go much deeper."

Brittany

We'd agree, but there could be great relationships based solely on sex. It's happened before. Maybe you'd want to have one with us. It would be just for the sex of it.

*Hurricanes and women are a lot alike...
They both moan like hell when they come,
and take the house when they leave.*

would you let your wife choose her lover? she wanted him

A SUCCESSFUL MARRIAGE IS A TRADE OFF.. MY COCK FOR HIS.

This past week we decided to go camping outside of Golden, Colorado. We've always wanted to come here and finally worked our way over and we have a feeling it's going to be a lot of fun. My wife, Dianna and I had only been married for two years, but being older we have done just about everything so we're here to try something new. We openly talked about our fantasies during sex.

One that would always come up would be of her getting fucked by another man while I watched or even participated. I was cool with that because she was cool with my fantasy, which is to have two women suck my cock at the same time. The visual image of two sets of lips on my cock and balls is so hot to me. I would ask her to tell me who she thinks would like to fuck her, or who she would like to fuck. But this was all talk and we really never did anything until this trip to Colorado.

This was our first trip here. It was a Friday night

and we went to see a local band that everyone was raving about. We sat at a table with about five other people. One guy caught our eye. He was alone and very friendly with everybody. His name was Isaiah and he said he lived outside Denver. He apparently was a regular and was buying everyone shots.

Dianna said he was quite good looking and I can tell she was attracted to him. To know she liked him really excited me, too. The night went on and we were all having a great time just getting to know each other. Throughout the night, I noticed my wife checking him out and Arnie checking her out.

Tonight, Dianna was wearing a sequined halter top with an open back, the kind you know she is not wearing a bra, tight black leather mini-skirt and high heels. You know she looked incredibly sexy. Everyone at the table did. Dianna mentioned that she thinks Arnie might be married. This just affirmed to me that she indeed wanted him.

I got up to dance with them and sandwiched Dianna between us, and I pushed Dianna's hand toward his crotch. They both just giggled and neither one did not seem to mind.

As the night went on we all were getting pretty inebriated, including my wife. Arnie and I took needed to use the bathroom and while we were at the urinals, I decided to bring up the subject, "Hey Arnie, my wife hopes that you are not married." Arnie replied, "I was, but we split a few years ago. Why, does she ask? Is she looking for a threeway?" he said almost jokingly. I said I think that she might! Then he asked me if I'm okay with it. I said I was if he was! So he said what do you want to do. I said just hang out with us after the dinner show and see what happens.

After the show we walked down to a bar just down the street. When the three of us got there we ordered a few drinks. During this whole time Dianna and Arnie were hitting it off. They were laughing and giggling the whole time. Dianna knew that I was ok with everything. I would disappear for long moments so that they could get more comfortable with each other. Dianna saw me spying on them a couple of times and she just smiled. They started dancing, I would keep buying them drinks. I got up to dance with them and sandwiched Dianna between us, and I pushed Dianna's hand toward his crotch. They both just giggled and neither one did not seem to mind.

We were all feeling pretty good by now by so I suggested we leave. So we went out to catch a cab. As soon as we got to our room we all took

turns going to the bathroom. Arnie and I were already waiting for her when she came out. Dianna walked over to me and turned around to face Arnie. I untied her halter top exposing both her

beautiful firm breasts to Arnie. I then sat down. Arnie and her continued to talk and giggle as Arnie held her waist and she put her arms around him. Arnie then took his shirt off and dropped his pants. They then sat on the bed talking and giggling. They then started kissing and Arnie started grabbing Dianna's breast and sucking her nipples. Arnie then started taking Dianna's skirt off.

I still can picture seeing her in her black g-string. Arnie was feeling her all up. He then removed her g-string and started licking her pussy. I can still remember his sloppy slurping sounds. Arnie

then took his boxers off. He was clean shaven and bigger and thicker than me. Arnie sat up against the bed rest as Dianna began to kiss and lick his chest. Then Dianna proceeded to start sucking his dick.

I could not believe I was watching my wife actually sucking someone else's dick! Dianna continued to rub Arnie's dick head with her thumb as they talked. I savored the sight of my wife's mouth engulfing Arnie's hard cock. I could tell felt so good when his cock slid down her clutching throat and Dianna made slurping sounds as

*So picture this, I was fucking my wife Dianna,
doggie-style while she was sucking Arnie's dick
as he lay on the bed under her.*

I watched it with the blurred eyes. I was being excited not only with the sensations of listening to Dianna's moans that she had been letting out as she sucked him.

Dianna pulled his cock out of her hungry mouth and squeezed it at the base so hard that some pre-cum appeared on the tip. I watched closely at the way Dianna was licking away all that pre-cum and swallowing it as if trying to remember every detail of it. Then Dianna's agile tongue circled on the head of his cock polishing it off. Making sure it was licked clean, her mouth began sliding up and down the shaft. Arnie had been all steamed up by the time Dianna took out his cock, glistening it with her saliva. Then she did what I had never expected!

Dianna put her hand on Arnie's head and pressed her mouth stained with his pre-cum against his mouth. Then she pushed his head down to her soaking wet pussy. My wife was enjoying Arnie's tongue on her pussy and she was quick to react it. I was surprised how aggressive she was and I was sure that I should now have to be rough with her too. During this whole time I had not been a part of any of this. Dianna would just catch my eye every so often and just smile as if to say if everything was ok, and my eyes and smile would assure that everything was indeed alright! I finally got close to Arnie and handed him a condom as I wanted to see him start fucking Dianna.

Arnie then got up and said that he now wanted to see some good fucking, meaning he wanted to watch me fuck Dianna. So I got undressed and got on Dianna and started to fuck her while Arnie was right there. Since he was kind of sitting up right next to her since she had just been sucking his dick, I told her to go ahead and suck his dick while I was fucking her which she went ahead and did. So picture this, I was fucking my wife Dianna, doggie-style while she was sucking Arnie's dick as he lay on the bed under her.

I told Arnie that I wanted him to come on Dianna's ass, Dianna said for Arnie to come in her mouth. Dianna came first as I banged her pussy hard and diddled her little clit. Arnie was next as she sucked him dry and after some more deep thrusting into her fine pussy, I finally came. We all collapsed on the bed and there was heavy breathing for the next few minutes. Arnie and I got dressed as Dianna still slept. I thanked him for the experience and out he went.

It was about four in the morning when she finally woke up. I was drifting in and out of sleep, replaying the scene in my head over and over. Suddenly I felt a warm sensation envelope my cock. It was her mouth and she was hungry for more. It probably took me all of thirty seconds to get my cock rock hard again. I was ready to go, but had some catching up to do! Then, we had some of the greatest sex we ever had.

I've only done a few of these types of photo shoots and only with my hubby. I'm comfortable having sex with him and have learned to ignore the camera so I can focus on us.

Olivia

We've been together for a long time and there's little we haven't done, but in front of a camera? To-day we're filming some of our more intimate actions.

Neighbors come in all sizes shapes, colors, and ages. Enter neighbor lady Julie. She's very accom-
modating and even squeezes her own orange juice. How neigh-
borly is that. But somehow Tris and Jake, new to the cul-de-
sac area, find 60-year old Julie, quite attractive!

Julie & Tris & Jake

After some initial hesitation, the three decide to get it one, share and share alike, as they say. And it actually makes for a great photo and video scene. Who know what Julie put in that orange juice!
